Istanbul, Turkey

Computer Engineer

SUMMARY

Versatile computer engineer with strong communication and interpersonal abilities. Proven aptitude for collaborative teamwork and adept at fostering positive human relations. Proficient in Python programming with a keen interest in machine learning and a broad understanding of technology. Committed to staying abreast of advancements in the field to contribute effectively to innovative projects and initiatives.

EDUCATION

Uskudar University

Bachelor of Science Computer Engineering
(English)
2020-2024 Istanbul, Turkey

LANGUAGES

- Arabic | Native Language
- English | High Proficiency
- Turkish | Intermediate
- Spanish | Basic

CERTIFICATIONS

- The Complete Python Bootcamp From Zero to Hero in Python
- Data Science & Machine Learning
- Python Data Structures
- Foundational C# with Microsoft
- C# Intermediate
- Introduction To Cyber Security

SKILLS

- Programming Languages: such as Python, Java, C++, C#
- Database Management: good knowledge in relational database
- Hardware Knowledge: good knowledge in computer hardware components, architecture, and troubleshooting.
- Network and Security: good knowledge of network protocols and security measures.
- Algorithms and Data Structures: Proficient in core computer science concepts, including algorithm design and data structure implementation. Skilled in optimizing algorithms for efficiency and applying data structures effectively. Proven track record of successfully applying these skills in practical software development and problem-solving.
- Web Development: Familiar with the Django framework for efficient web application development.
- Data Science & Machine Learning: Proficient in data science techniques and machine learning algorithms. Experienced in implementing machine learning models and conducting data-driven projects.
- Strong organizational and time-management skills
- Exceptional communication and interpersonal skills
- Ability to work independently and as part of a team
- Detail-oriented and able to handle multiple tasks simultaneously
